

ACCREDITED
HOME ELEVATOR COMPANY

Automatic Gate Operators

AHE Automatic Gate Operators

Features:

- Touchless entrance and touchless exit, let the AHE Automatic Gate do the work for you.
- It offers a state-of-the-art way of automating accordion gates used in residential elevators.
- It has passed an accelerated life test of 25 years of normal residential uses (100,000 cycles).

Benefits:

- Our Automatic Gate Operator is a proven product that is user-friendly, dependable, and cost effective.
- Alleviate the action of having to open and close your gate after you exit the elevator. The gate will open and close when in use!
- Easy solution to any Gate Cycling troubles you have been dealing with.

*Make the most of your investment with our
AHE Automatic Gates!*
